I am a current full-time resident of Galveston County (Driver's License and Voter Registration)

Signature: _____ **Date:** _____

Resident Information (Please retain)

Moody Gardens Golf Course offers preferred pricing on Golf Course green fees and other services to residents of the City of Galveston and Galveston County. In order to be eligible for these benefits, you must register with the Golf Course by completing the above form and establish your residency by providing the above-listed forms.

When making a reservation for a tee time, please indicate your residency status as either Full-Time City of Galveston Resident, Part-Time City of Galveston Resident or Full-Time Galveston County Resident. Upon checking in for your tee time, you may be asked to show a driver's license to confirm your name and current address.

Please note that an individual entitled to preferred rates through his or her residency status is not permitted to pay for green fees of any other players at the preferred rate unless the other players also establish their residency status and are thereby entitled to the preferred rate. If a resident makes a reservation for other players and declares that they are entitled to preferred rates through their resident status, the other players may also be asked to register with the Golf Course and provide appropriate identification at check-in.

If your residency status should change after registration, please either notify the Golf Course by phone or email, or re-register by completing a new copy of this form.

Residency registration must be done on an individual basis; there are no group residency enrollment options available for families or relatives. Junior golfers who do not have residency identification may be enrolled by a parent or legal guardian by completing this form.

Thank you for your cooperation.
